Appl. No. 10/734,334

Amdt. dated May 10, 2007

Reply to Examiner's phone call of May 10, 2007

REMARKS

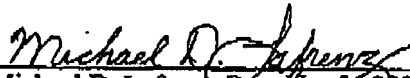

Initially, Applicants' representative would like to thank the Examiner for the phone call of May 10, 2007, and the indication of his determination of allowability of the claims, with the exception of certain formal matters.

As discussed in the phone call, the present application was originally filed with a numbering error in the claims. The original filing was missing a claim #32. The Examiner requested that this paper be faxed to the Office in support of the proposed Examiner's amendment. The current amendment re-numbers claims 33-50 as 32-49, and amends the corresponding dependencies.

If the Examiner should have any further questions or concerns regarding this matter, he is cordially invited to contact the undersigned at the number provided below in order to further prosecution.

Respectfully submitted,

Dated: May 10, 2007
